

WE BELIEVE BABY FURNITURE SHOULD BE SAFE. THE QUESTION IS, WHAT IS SAFE?

All coatings and stains used by Kidz Decoeur are formulated very carefully in accordance with the "Consumer Product Safety Improvement Act of 2008" and contain NO lead, phtalates, antimony, arsenic, cadmium or mercury.

Sleep soundly knowing that your baby is sleeping safe.

The **Carson** Collection is constructed from Canadian harvested solid birch, high quality birch plywood and European solid beech. All pieces are constructed and painted in Canada with coatings formulated in accordance with the Consumer Product Safety Improvement Act of 2008. Carson is available in Kidz Decoeur's full colour palette.

The finished drawers feature English dovetail assembly with under-mount soft close glides. Drawer boxes are fully finished and clear coated eliminating possible tears and snags on clothing.

Unless otherwise noted, all pieces in this catalogue are shown in Kidz Decoeur's rich Java finish. The default hardware is the Carson Knob (CAR). Optional hardware is available.
